GREEN SCHOOLS

PRESENTED BY

SALLY ZAHNER, AIA, LEED AP BD+C
ELEY GUILD HARDY ARCHITECTS

This presentation is intended to help you understand Green Schools

- * **The Benefits**
- * **What makes a school 'green'**
- * **Myths and Facts**
- * **Case Study: Hancock North Central Elementary**
Mississippi's FIRST LEED SCHOOL

Sally Zahner is an architect with Eley Guild Hardy Architects and is a resource for Green Schools under the Leadership in Energy and Environmental Design (LEED) Green Building Rating System. Sally has been intimately involved in the design and registration of what will become the first two LEED Schools in the state of Mississippi. Mrs. Zahner earned a Bachelor of Architecture degree from Mississippi State University and is a registered architect in the state of Mississippi.
